

# Skeleton Presentation Planning Sheet

Put the information below onto index cards and then glue the index cards in the proper areas on the skeleton. Be ready to retell your story without reading the cards.

**Head:** Write the main adventure of the book and how the character was able to get out of the adventure. Write 3-5 sentences.

**Chest/Upper Torso:** Draw and color the main character. Be sure to include at least 3 of the main character's traits.

**Hips/Abdomen:** Draw and color the most important scene in your story. Be sure to include both the time and the place.

**Arms:** Write one problem for each arm. Write 2-3 sentences about each problem.

**Legs:** Write one solution for each leg. Write 2-3 sentences about each problem's solution.

**Foot:** Write your name, the title of the book, and the author of the book.

**Foot:** Write a reason why you would recommend this book to a friend.
